Updated 2/15/2010

Hyperbaric & Wound Care Center at Jordan Valley Medical Center Ribbon Cutting and Open House

Please join us for a Ribbon Cutting February 19, 2010 at 1:00 pm. The Open House will be from 1:00 pm to 5:00 pm. Come and meet the staff and learn about your new treatment options. Medical Arts Plaza, Suite 105, 3590 W 9000 S, West Jordan, Utah. Light refreshments will be served.

Orders

Just a friendly reminder, we need a diagnosis on all orders. We cannot code and bill without them and at times we can't even do the test or procedure without it. Putting a diagnosis on the order will save time and eliminate a follow up phone call to your clinic interrupting your staff to pull the patient's chart for review.
